CAMPUS MINISTRY SUNDAY RESOURCES!

CSIS SYNOD

AGAPE

EPIPHANY LUTHERAN CHURCH (ELCA)
Carbondale, Illinois

ST. ANDREW'S
LUTHERAN CHURCH & CAMPUS CENTER

Siblings in Christ,

In January the Synod Council voted to make February 23rd "Campus Ministry Sunday" in CSIS! We are delights to share a few resources and stories to help you highlight our shared ministry with young adults on college campus across this synod.

In this small packet you'll find some words of welcome highlighting the celebration, prayers lifted up by our communities, and a few hymn suggestions. Earth and All Stars is a favorite at St. Andrew's, and was written to celebrate the 90th anniversary of St. Olaf College giving it special significance to ministry with college students.

We've also included a bulletin insert for congregations to share as it makes sense in their context. This insert highlights a few stories of Campus Ministry as well as lifts up the many ways individuals and congregations can strengthen their relationship with the campus ministries in this synod.

All of these resources are shared as suggestions, and we'd love for you to be creative and adapt them as you see fit. Our hope is that this becomes an annual celebration that will include short videos congregations can share from our young adults, as well as testimonials or sermons from students.

If you have other ideas about how we could grow this celebration of Campus Ministry in the Central Southern Illinois Synod, please don't hesitate to reach out! We'd love to hear from you.

Thank you, for the ministry that you are doing in this synod and for your support of Campus Ministry!

Grace + Peace,

Pr. Jon Fry
St. Andrew's Lutheran Campus Center
